RE: App. No. 09/776,498

To Examiner Vig,

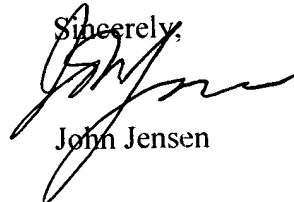

Since I have not seen on the PAIR web site that my application response has been found, I am resubmitting the material that I previously mailed on 10/19/04 and that the PTO received on 10/21/04.

These are identical copies. From my transmittal letter of 10/19/04:

In response to the notice of noncompliance that was mailed on September 28, 2004, please find enclosed (1) a complying and marked copy of the Patent Application No 09/776,498, (2) a history of change in the patent claims, and (3) a clean copy of the Patent Application that reflects the changes made.

If you have any questions, please call me at 310-567-0022 or 213-383-4380 after 9AM pacific time.

Thank You.

Sincerely,

John Jensen
